

ASSOCIATED INDUSTRIES BRIGHT PROMISE PROGRAM STUDENT RECEPTION

Associated Industries hosted a reception on October 15th, for 2009 scholarship recipients of the Associated Industries Bright Promise Program, along with their families, the scholarship recipients Selection Committee and honored guests.

Jan Quintrall, President of the Better Business Bureau shares a few thoughts with Associated Industries CEO/President Jim DeWalt at the Associated Industries Bright Promise Program Student Reception. Jan spoke to the group about the difficulties of having to select recipients from such a deserving pool of candidates and how proud she is to be part of a program that rewards people who have earned an opportunity to advance themselves and their careers.

David Condon, District Director and Deputy Chief of Staff for Representative Cathy McMorris Rodgers, addressed Associated Industries Bright Promise Program student recipients at the recent reception in their honor, about how honored Representative McMorris Rodgers and her staff are to be a part of the program and wishing the students well in their future endeavors.
