

Is Your Temp Work Safety Program in Place?

If your workforce consists of both permanent and temporary employees, it may not be clear who should cover safety training to prevent costly accidents.

Humanix and Associated Industries have teamed up with L&I to provide valuable FREE safety information and tools for your temporary employees.

Take a look at your safety plan. Do your temporary employees receive all the safety training the law requires? Call today to attend FREE Safety Training taught by industry experts.

See reverse side for more details
and registration information.

You'll receive...

- A "First Day" safety training checklist
- After-hours emergency contact cards
- Temporary employee incident report forms
- Accident Prevention Program (APP)
- OSHA Log and your temporary employee
- Employee Incident Report Forms
- Incident Report Forms and a Haz-Safety Quiz
- Liability and WISHA information
- How-to's for Safety Committee and much more!

Funding and support for this project is provided by the Washington State Department of Labor & Industries, Safety & Health Investment Projects
